2010 Dance Recital Information

Recital Picture Schedule

Our Recital pictures will be taken the same way as last year. We will be having the pictures taken at Fotogirl Photography in downtown Colby. This will provide for less chaos during dress recital and for optimum lighting and backgrounds for group and individual pictures. It will be very important for everyone to be at class the last week before the dance recital. All pictures will

be taken the week before the dance recital prior to the students last dance classes. Any students not at the photos will not be included in the photo unless they notify the office ahead of time. There will be a \$40.00 Photoshop fee to include missing dancers in the group picture. A recital picture schedule will be included in the Dance Recital Handbook that will be sent out in April.
